A pair of black-rimmed glasses is resting on a stack of books. The glasses are positioned in the upper center of the frame, with their reflection visible on the pages below. The books are stacked, with a red bookmark visible on the left side. The background is blurred, showing a wooden surface and a blue object. The word "Introductions" is overlaid in white text in the center of the image.

**Maths Week
Scotland**

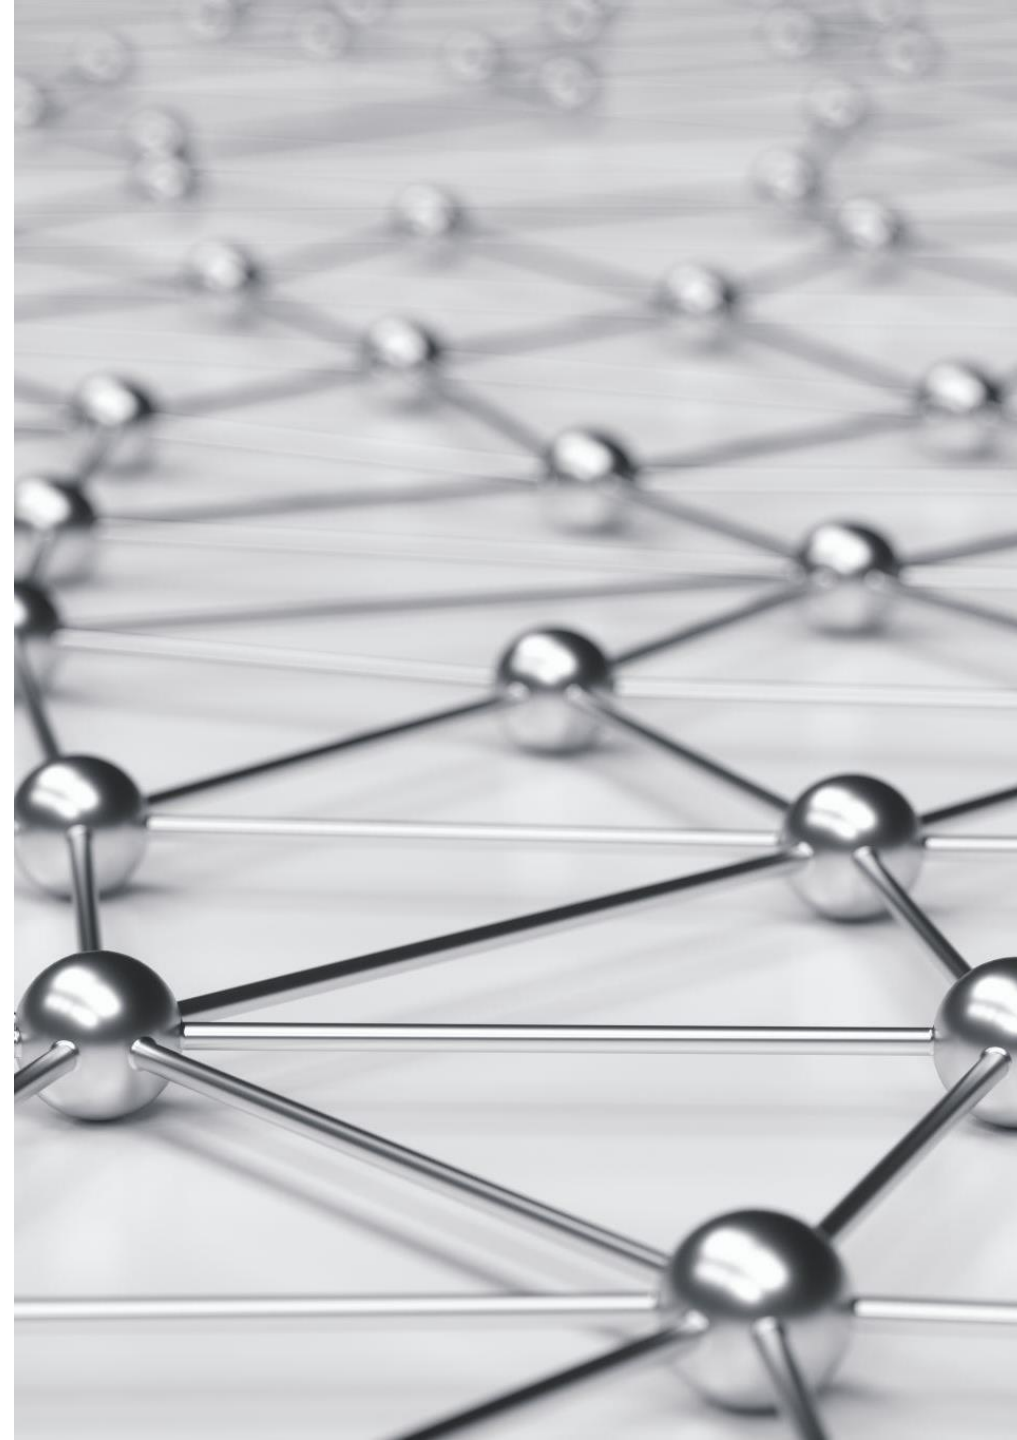

A photograph taken from the driver's perspective inside a car, looking out through the windshield. The view shows a scenic Scottish landscape with rolling hills, a winding lake, and distant mountains under a cloudy sky. The car's interior, including the dashboard and side mirror, is visible in the foreground. The side mirror reflects the back of the car and the road behind it.
